BRIEF EXPLANATION OF RESULTS

The Consolidated Entity's results incorporate the results of controlled entity, ASX-listed investment company, Orion Equities Limited (**OEQ**) and controlled entities of OEQ (**Orion**).

The Consolidated Entity's overall net loss relate principally to Orion's investment portfolio performance, as follows:

- \$0.414 million recognised as a share of an Associate entity's net loss – this relates to Orion's investment in Bentley Capital Limited (ASX:BEL); Bentley generated a net loss of \$1.451 million for the half year (attributable principally to an unrealised loss on its investment in Strike Resources Limited (ASX:SRK) (**Strike**)); and
- \$0.24 million unrealised loss from Orion's investment in Strike, which declined in price from 11 to 8.6 cents per share during the half year.

APPENDIX 4D HALF YEAR REPORT

The Consolidated Entity accounts for Bentley as an Associate entity, which means that Queste is required to recognise a share of Bentley's net profit or loss in respect of the financial year based on Queste's (28.556% as at 31 December 2022) direct and indirect shareholding interest in Bentley (this is known as the equity method of accounting for an associate entity).

The Consolidated Entity's financial performance is primarily dependent on the share price performance of Strike Resources Limited (ASX:SRK) (in which Orion has 10 million shares and Bentley has 56.7 million shares).

Strike is developing its Paulsens East Iron Ore Project in Western Australia (with its maiden export of 66,618 tonnes of lump iron ore completed in September 2022) and has completed exports of iron ore from Peru and accordingly, it is exposed to the iron ore price and market sentiment in the junior iron ore sector. Queste notes that the iron price has been volatile during the past 12 months – trading between a range of ~US\$162/t (in April 2022) to ~US\$80/t (in November 2022), with a current price of ~US\$126/t (as at 23 February 2023). The volatility in the iron ore price has matched the volatility in the Strike share price, which has traded within a range of 24 cents (on 5 May 2022) to 8 cents (on 16 December 2022) in the past 12 months, with a bid price of 8.6 cents (as at 31 December 2022) and a current price of 7.8 cents (as at 24 February 2023).

Further information about Orion's operations, financial position and performance for the financial half year ended 31 December 2022 are outlined in Orion's 31 December 2022 Half Year Report.

Further information about Bentley's operations, financial position and performance for the financial half year ended 31 December 2022 are outlined in Bentley's 31 December 2022 Half Year Report.

Please refer to the attached Directors' Report and Financial Report for further information on a review of Queste's operations and the financial position and performance of Queste for the financial half year ended 31 December 2022.

Notwithstanding the accounting value of the investments of the Company as outlined herein, it is noted that the market value of the share investments are as follows:

Investment	Shareholding	ASX Market Value ¹ 31 December 2022
Orion Equities Limited (ASX:OEQ)	9,367,653	\$1,030,442
Bentley Capital Limited (ASX:BEL)	1,225,752	\$68,642
	Total	\$1,099,084

DIVIDENDS

The Directors have not declared a dividend in respect of the financial half year ended 31 December 2022.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the half year ended 31 December 2022

1. SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance

The half year financial statements are a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'. These half year financial statements do not include notes of the type normally included in the annual financial statements and should be read in conjunction with the most recent annual financial statements and the Company's ASX announcements released from 1 July 2022 to the date of this report.

Basis of Preparation

The financial report has been prepared on a going concern and accrual basis and is based on historical costs modified by the revaluation of financial assets and financial liabilities for which the fair value basis of accounting has been applied. The Directors are not aware of any material uncertainties related to events or conditions that may cast significant doubt upon the Consolidated Entity's ability to continue as a going concern. The Directors have a reasonable belief that the going concern assumption for the Consolidated Entity is appropriate based on, inter alia, the following matters: (a) the current cash (and receivables) and liquid investments position of the Consolidated Entity relative to its fixed and discretionary expenditure commitments; (b) the ability of the Directors of the Consolidated Entity to suspend or reduce personnel, corporate and administration expenses to conserve the Consolidated Entity's cash; and (c) the underlying prospects and liquidity of listed share investments held by the Consolidated Entity, which may be sold to realise cash.

All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the half year financial statements are consistent with those adopted and disclosed in the Consolidated Entity's financial statements for the financial year ended 30 June 2022.

New, revised or amending Accounting Standards and Interpretations adopted

The Consolidated Entity has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the AASB that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not mandatory have not been early adopted. These are not expected to have a material impact on the Consolidated Entity's financial statements.

Fair value hierarchy

AASB 13 (Fair Value Measurement) requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- (i) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- (ii) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- (iii) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the half year ended 31 December 2022

7. FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS (continued)

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
Financial assets at fair value through profit or loss:				
Listed securities at fair value				
31 Dec 22	860,002	-	-	860,002
30 Jun 22	1,100,000	-	-	1,100,000

There have been no transfers between the levels of the fair value hierarchy during the financial half year.

(a) Valuation techniques

The fair value of the listed securities traded in active markets is based on closing bid prices at the end of the reporting period. These investments are included in Level 1.

The fair value of any assets that are not traded in an active market are determined using certain valuation techniques. The valuation techniques maximise the use of observable market data where it is available, or independent valuation and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2. If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

(b) Fair values of other financial assets and liabilities

	31 Dec 22 \$	30 Jun 22 \$
Cash and cash equivalents	78,301	23,052
Receivables	87,734	-
	166,035	23,052
Payables	(129,707)	(135,118)
	36,328	(112,066)

Due to their short-term nature, the carrying amounts of cash, current receivables and current payables is assumed to approximate their fair value.

8. PROPERTY HELD FOR RESALE

	31 Dec 22 \$	30 Jun 22 \$
Property held for development or resale	3,797,339	3,797,339
Revaluation of property	(2,047,339)	(2,047,339)
	1,750,000	1,750,000

Critical accounting judgement and estimate

The carrying value of Property held for resale is based on Directors' judgement, having regard to the most recent independent valuation report dated 30 June 2021 and an assessment of current pertinent real estate market conditions. The Directors are of the view that the property is not impaired as at balance date.

AUDIT & ASSURANCE PTY LTD

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF

QUESTE COMMUNICATIONS LTD

Report on the Review of the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Queste Communications Limited ("the Company"), and its controlled entities ("the Group"), which comprises the consolidated statement of financial position as at 31 December 2022, the consolidated statement of profit and loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) giving a true and fair view of the Group's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* ("the Code") that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

QUESTE COMMUNICATIONS LTD (continued)

Auditor's Responsibility for the Review of the Half-Year Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
